How to Order :

We have set a variety of ways to order our products so that you can get it delivered quickly with ease.

01 | Contact Us :

Reach out via phone, email, or through our website for inquiries and quotations. Our team will respond promptly to discuss your needs.

02 | Specify Your Requirements :

Provide us with the details about the type, quantity and size of quartz lumps required.

03 | Receive a Quote :

Once we have your requirements, we shall send a comprehensive quotation that includes pricing and delivery information, ensuring full transparency and no hidden costs.

04 | Place Your Order :

Confirm your order and we will take care of the rest, from processing to logistics, ensuring that your product arrives on time and in perfect condition.

01

High Purity Quartz Lumps

Specifications:

99% SiO₂ purity, low EC value sizes ranging from 1mm to 100mm and also Customizable sizes

Benefits:

Our high purity quartz Lumps are with high resistance to thermal shock and low impurities and ideal for making 99.99+ grade of silica powder and can be used in industries like Semi-conductors, Solar Photovoltaic, Glass Industry, Fiber Optics, Electronics, Aerospace and Defence, Medical and Life Sciences, etc.,

02

Industrial Grade Quartz Lumps

Specifications:

Available in varied purity levels and customizable sizes

Benefits:

Flexibility and value addition to products that can be used in construction industry like Quartz counter tops, Tiles manufacturing, Paint industries, etc.,.

03

Specialty Quartz Lumps

Specifications:

Gem Quality Quartz Stone with Mohs 7+ Rose Quartz

Benefits:

Most of the people strongly believe that Rose Quartz brings Positive energy in its surroundings. This can be used as Gem stones in Jewellery, also in making ornaments and monuments.
